Wet/Dry or Oily Areas - Anti Slip Mats

# 550RD Cushion Ease™ Red

550RD CUSHION EASE™ RED

Wet/Dry and Oily Areas - Heavy duty

# 550RD Cushion Ease™ Red

This mat is designed to meet individual food industry requirements. Ergonomic benefit derived from a 19 mm thick worker platform made of a tough yet resilient nitrile rubber compound that is resistant to vegetable oils and greases.

Anti-slip surface provides sure footing even in slippery environments. Bevelled edges prevent tripping on the mat. Available in closed version or with drainage holes. Cleaning with detergent and water-jet is recommended for extended service life.

Modular rubber anti-fatigue mats with holes for excellent drainage and aeration leaving a dry, clean work area. These interlocking mats allow on-site customization. Square snap-together units of 91 cm x 91 cm that can be assembled effortlessly and laid out from wall to wall or as islands in any direction or shape.

Compatible with patented MD Ramp System™ for smart safety bevelling solutions; allow out and inside corners.
